Okay. I will print all the pages from the combined document that need changes, hand mark the necessary changes with red pen, and then bring them to your office.

All –

There is now a document titled wyomingSIP-FIP.OARcopy in max.gov. This is what I will be sending to Ruth shortly. This is the document people need to edit going forward. Carl asked that we not send this document with any comment bubbles/redline strikeout, so I have taken those out of this document. If you want to see what the remaining comment bubbles were, you can go back to the individual section documents.
